

NSC Partners with Team Hutt

NSC is excited to announce that we are partnering with Team Hutt for the 2020 season.

COVID-19 has thrown up an unprecedented challenge for us all. A key challenge for NZ ski resorts and ski clubs alike has been the closed borders (with no relief in sight). This has meant that Javier Fuentes is unable to confirm travel to NZ for this winter.

NSC has a long history of working alongside Team Hutt. Team Hutt have generously offered to open their doors and welcome NSC members into their program for the 2020 season. Chris Mosaed the Program Director Team Hutt and the Trustees of Canterbury Alpine Sports Trust will be well known to many of you, as will many of the wider Team Hutt family. We all are looking forward to a fun filled season.

Details:

The Team Hutt season starts 27th June. Ends October 4th.

(Please note some programs have slightly differing finish dates)

We can book program places directly with Team Hutt. The 2020 programming will be released the week beginning 25th May. The website is currently showing the 2019 programs, and can be found here:

[Team Hutt Programs](#)

Team NSC has published a [NSC Program Guide](#) that you can use as a suggested training/travel template. This guide will give you a feel for what most of the 'NSC' athletes will be doing.

This indicative programme consists of:

- A series of long weekends; Friday, Saturday, and Sunday.
- Week 1 & 2 of the July school holidays - we envisage everybody training the first 2 weeks.
- Week 3 of the July school holidays – we envisage most of the senior squad will continue training.
- We have also scheduled several blocks of training (to replicate the original program):
 - August 6th -16th Training block (To replace the Rainbow Intro to Speed camp)
 - August 21st -30th Mt Hutt Tech week (Speed)
 - Sept 4th -13th Training Block (Pre -Nationals Camp – Tentative, tbc)
 - Sept 22nd – 28th Nationals week Cardrona

Recommended Team Hutt Programs (Pricing)

Full Program

\$5199

This programme is listed as the FIS Programme on Team Hutt's website.

It is a 5 day a week programme (days scheduled by the Program Director) and offers the best flexibility and pricing for the NSC athlete that wants to train the weekends and blocks as per the full NSC programme. If you are serious about training this is the programme for you. This package will work for the keen U12's, U14, U16+

Full Program U14/U16

\$4,449

This is as above but 4 days per week, as scheduled by the Program Director

U14 Weekend Programme

\$3999

This mid-tier programme could work well for the Auckland based athlete. Two weeks in the July school holidays plus every weekend. If you want to add another mid-week training session – e.g. hook up with a Tech Camp – you can add days @ \$125 per day.
(This package could work for other age groups e.g. advanced U10 and U12)

Team Hutt NSC Starter Pack (10 days)

\$1500

This has been arranged with the Program Director as a special offer for us. This is not a product that they normally offer, and it is not on their website. it is subject to numbers and space.

If you are interested in this option please contact: Paddy O'Reilly (NSC programme Coordinator).

- Includes week 2 of the July school holidays.
- You can use the extra days for weekends e.g. the Mt Hutt Interfield weekend
- Additional days thereafter are \$125 per day.
- *Strictly 14days notice needed of intention to train*

To apply:

- Complete the Team Hutt application [Team Hutt Online Application](#)
Select the U8/10 Introductory Programme - \$999 (Just so you can submit the form)
Add In the comments section: "Joining Team Hutt NSC Partnership Starter Pack 10 day Program \$1500"
Select Payment method:
 - Internet banking – direct credit Team Hutt 02-0820-0614489-00
 - Paypal - If you would like to pay by credit card (PayPal) Team Hutt will arrange for an individualised PayPal Invoice to be sent to them, for PayPal payment, as this amount is not in the PayPal drop down box. (Please also note in the comments section).

Training Days

Training days are scheduled at the discretion of the Program Director. Team Hutt generally train 5 days per week and include the weekend where possible. If the mountain is closed there is no training.

COVID-19. As of writing, at Level 2, Mt Hutt are planning on opening 5 days per week. This will likely change as 'bubble numbers' and changes to 'levels' are made by the NZ Government.

During the July School Holidays Team Hutt's intention is to schedule training around Mt Hutt open days.

Typically, the 'School Holiday Programs' start on the Sunday. There is some flexibility around when you can join or leave training groups – however you must communicate this to the Program Director – Chris Mosaed.

Protocol

Travelling from Auckland presents challenges that Team Hutt do not usually have to deal with.

When you see the Team Hutt published programmes you will note they are structured for local residents and you will probably go green with envy and wish that Rangitoto Island had a bit more altitude! Team NSC want to smooth out some of the wrinkles and help co-ordinate expectations. This is the key reason for setting up the NSC calendar. Team Hutt cannot be expected to cater for hordes of casual drop-ins so we need to co-ordinate and communicate numbers of athletes to Chris as best we can please.

Accommodation

NSC parents have booked 3 chalets at Barkers Lodge/ Cedar Chalets as a base for the season. There are still chalets available, so we would encourage you to book either a chalet or at the lodge (available at COVID level 1). There is plenty of other accommodation nearby – e.g. Brinkley's, The Lodge etc. It will be great to keep some of the NSC Team vibe going. Dryland training; Tuning Sessions; Parent Counselling Sessions and Team Dinners will be stand-outs.

SSNZ Race programme

As of writing the race programme is still to be confirmed.

In the meantime we are happy that Team Hutt will be producing an excellent training programme.

- We expect the Mt Hutt and Porters Interfields will go ahead as programmed.
- The Mt Hutt National points dates still stand
- Coronet Peak National points may move to the week after Mt Hutt, tbc
- Ruapehu Events tbc
- Cardrona National points is currently as programmed.

Note: We train with Team Hutt, we will race as Team Hutt. (Credit where credit is due)
